

# NEW OFFICERS CHOSEN FOR THE 1906 ANNUAL FAIR

Report of Special Committee Unanimously Ratified W. L. Trimble Buys Valuable Property From the Late L. S. Trimble Estate at Executor's Sale.

There will be a fair in this city next fall and it will be a steam-winder from start to finish.

This conclusion was fully demonstrated at the meeting last night of the general committee of fifteen, which was called together for the purpose of hearing the report of the special committee of three appointed at Monday night's meeting to formulate some plan for the next annual fair and to select gentlemen who would act as the new officers of the fair.

It is understood that the general committee met upstairs over Zeiger's Cafe last night, and the first business transacted, which is of general interest to everybody, was that of hearing and ratifying the report of the special committee, namely:

President—Hon. Solomon Luna.

Vice-Presidents—George L. Brooks, Berthold Spitz, George Arnot, O. N. Marron.

Secretary—D. S. Rosenwald.

Treasurer—M. W. Flournoy.

General Director—P. F. McCanna.

It is understood and so expressed at last night's meeting, that all officers are to give their services to the next fair free, without any compensation whatever, which indeed, considering the amount of work of all previous fairs, and considering the labor which of necessity will have to be performed by the general director and secretary, is a great sacrifice.

In order to cut down the deficit, which stares the new officers in the face, W. H. Greer and D. K. B. Sellers, president and secretary respectively of the twenty-fifth annual fair, showed a generous spirit last night, by announcing to the committee that they would relinquish the balance of salaries due them as such officers of the recent fair.

Col. Greer, who is president of the Traction company, also announced to the committee that the fair association for next year at least, could have use of the grounds for fair purposes free of all charges.

## ANOTHER GUN "TOTER" GETS SIXTY DAYS IN JAIL

CHARLES PROCTOR THOUGHT HE HAD A RIGHT TO CARRY A DANGEROUS WEAPON, BUT THE POLICE SAY OTHERWISE.

Charles Proctor, erstwhile vender of hamburger sandwiches, is languishing in the county jail with every indication that he will be an inmate of that institution for sixty days to come. Proctor's troubles all came about because he got the mistaken idea into his head that he had a right to carry a gun. He was arrested last night in Graham Bros' saloon, and was searched, a dangerous looking 44-caliber bulldog revolver was found in his hip pocket. He was promptly locked up, and in police court this morning pleaded guilty to the charge of carrying a concealed weapon, the minimum fine for which is \$60. In default of payment of the fine the young man is forced to become the guest of Sheriff Armijo.

## AT THE OPERA HOUSE

There was a perceptible falling off in attendance at the Elks' opera house last night at the performance of "A Woman's Revenge," though the play was equally as good as any given by the Ethel Tucker Stock company since coming to the city. The play was comedy, with a strong flavor of tragedy in nearly every act. The bill tonight is "Dora Thorne."

Some little commotion was created in the front of the house during the early part of the performance because of the refusal of a lady to remove her hat. The objection was finally removed, however, after requests had been made by the people sitting behind the hat, the head usher and the opera house management. That ladies should remove their hats in the opera during a performance, is one of the rules of the house, and people not caring to abide by these rules should stay away.

It was also decided upon last night by the committee that subscription papers be handed around, as soon as possible, among the merchants and subscribers generally, for their annual donations, and in this connection the fact was developed, during the discussion, that several present agreed to materially increase their subscriptions for next year's fair. After a certain amount has been subscribed, the fair deficit will be wiped off the books, and a clearance given in the way of checks, to all who now hold accounts against the fairs of 1904-05.

There will be no breaking of the above "state"—it was fixed before-hand, and the report of the special committee was unanimously ratified at last night's meeting. It is true that Messrs. Luna and Marron are out of the city, but as their duties will not be burdensome, they will accept the honors conferred upon them, and will, like the others who have personally accepted, lend all their strength and influence toward pulling the association out of the hole and making the fair of next year a howling success.

The gentlemen named above as the principal officers of next year's fair are all well known, not only locally, but territorially, and there can be no doubt regarding their ability to attend to the duties which will naturally come under their departments. The bulk of the work of a fair, as the writer of this article has personal knowledge, falls upon the shoulders of the secretary and manager (or director) and as next year's fair will be no exception to the rule Messrs. McCanna and Rosenwald will have to do a large amount of free glory for the next ten months toward making the twenty-sixth annual New Mexico Territorial fair a financial success.

The subject of incorporation, decided upon at the annual meeting Monday night, was not discussed last night. This matter will be put into execution as soon as the new officers clean up the deficit.

## LOTS IN EASTERN ADDITION SELLING VERY RAPIDLY

Fourteen lots have been sold in the Eastern addition of the Highlands within a week by the Surety Investment company. Work on many new houses has already been commenced on lots that have been purchased by parties, and before a year passes it is predicted that that section of the city will be transformed into one of the handsomest residence sections. Among the recent sales are the following:

J. S. Eaton, lots 11 and 12, block 48; Eusebio Gonzales, lot 1, block 48; Elias Arason, lot 2, block 10; Charles, lots 4, 5 and 6, block 31; Mrs. Annie Howell, lot 1, block K; Lee S. Sharp, lots 1 and 2, block 41; Clara Jacobsen, lots 11 and 12, block 31; Roswell Church, lots 5 and 6, block 30.

MRS. E. M. CLAYTON INJURED IN WRECK

ENTIRE SANTA FE PASSENGER TRAIN DERAILED IN KANSAS, BUT NO ONE WAS KILLED.

Dr. E. M. Clayton, formerly of Gallup and of this city, but who for some months past has been residing in Tulsa, I. T., accompanied by Mrs. Clayton and W. Moore Clayton, an attorney, also formerly of Albuquerque, were returned, and will reside here in the future.

While making the trip to Albuquerque Mrs. Clayton came near being killed in the wreck of a Santa Fe train No. 1, which was derailed on Sunday night near Chanute, Kan., every car leaving the track. As it was, Mrs. Clayton received severe cuts and bruises on various parts of her body and fainted from the shock. Only one other person was seriously injured.

In speaking of the wreck, Dr. Clayton says that while the train was speeding along at a good clip, it suddenly left the track, every car leaving the rails, with the exception of the engine. The train was crowded, and it seems a miracle that a number were not killed. A soft track caused the rails to spread and the tender jumped the track.

Mrs. Clayton has recovered sufficiently from her injuries so as to be able to be up, but is still suffering from the shock sustained.

## A. A. A'S VS. LUMBER MEN NEXT SUNDAY

LUMBER MEN AND FORT BLISS SOLDIERS ON THANKSGIVING, AND FARMERS VS. A. A. A'S ON CHRISTMAS.

Unless the elements interfere, the foot ball game between the Albuquerque Athletic association eleven and the Lumbermen, from the American Lumber company, which was postponed two weeks ago on account of rain, and then postponed for a second time on account of a wet field, will be pulled off at Traction park next Sunday afternoon. The last game between these organizations, played a month ago, resulted in a score of 19 to 0, in favor of the city champions. The second game, the Lumbermen say, will result in a much larger score, but the long end will be on their side. Both teams have been practicing faithfully the last two weeks, getting in condition for the battle.

On Thanksgiving day the Lumbermen will play the Soldiers from Fort Bliss on the local gridiron, and on Christmas, the A. A. A. eleven will play the Agricultural college eleven on the local grounds.

Football game, Santa Fe Indians and University, at Traction Park Saturday, the 18th. Game will be called at 2:45 o'clock.

# SIX NORTH SECOND STREET LOTS SELL FOR \$16,500

Report of Special Committee Unanimously Ratified W. L. Trimble Buys Valuable Property From the Late L. S. Trimble Estate at Executor's Sale.

The most important sale in Albuquerque realty since the purchase of the Ambrosio Armijo property on West Railroad avenue by A. Stank, of Santa Fe, was the sale this morning at 10 o'clock of lots 1 to 6, inclusive, of block 9, original townsite of Albuquerque. The property is that occupied by the W. L. Trimble & Co's, livery stable on North Second street, and formerly owned by W. L. Trimble & Co., which was a part of the estate of L. S. Trimble, whose death occurred a year ago last August. The property was sold at executor's sale, and the price paid was \$16,500. W. L. Trimble, who is a member of the firm of W. L. Trimble & Co., and who is proprietor of the livery business referred to, was the purchaser.

The bidding began by F. E. Sturges offering \$10,000, which was immediately overbid by Mr. Trimble, Mr. Sturges' last offer was \$15,000. This was the value put upon the property by the appraisers. The price for which it finally sold is considered very liberal, though the property is considered by real estate men to be a good investment at that price.

ALBUQUERQUE MAN'S SONG MAKING BIG HIT IN EAST

"BIBLE STORIES," WRITTEN BY JOHN LEE CLARK, HAS TREMENDOUS SUCCESS IN NEW YORK.

"Bible Stories" is a little song that is making a tremendous hit with New York theatergoers this season. It will be interesting to Albuquerque people to know that the words were written by John Lee Clark, manager of the Benham Trading company of this city. Mr. Benham wrote the lyrics about two years ago and sold the copyright to Witmark & Company, the well known New York and Chicago publishers.

May Irvin, one of the most prominent actresses now before the American public, is singing the song, and as a result, it is becoming extremely popular. The words are attractive and the music catchy and pretty. While Mr. Clark is greatly pleased with the success his song is having, he now regrets that he has parted with the copyright.

## An Open Letter

To Our Patrons and Friends

We have entered into a contract with Mr. George W. Hickox, agreeing to sell to him our Jewelry Business, including stock, fixtures, and good will, January 1, 1906. One strong feature of our agreement with Mr. Hickox is that we promise to reduce our very large and complete stock to the lowest possible point before that date and with this end in view, we will begin, Saturday, November 4, a SPECIAL CLOSING OUT SALE to continue until December 31, at which time we positively retire from the Jewelry Business, having arranged to go into the manufacturing lumber business in British Columbia.

Our business in Albuquerque has increased steadily year by year, and grateful for this, we propose for the next two months, to cut out the big end of our profits and to give you such a genuine bargain sale of really Fine, High Grade Goods, as has never been offered in our city.

We invite you to make your selections now and avoid the rush of the December trade. We have ample vault-room and will gladly lay aside the goods you select, until you are ready for them.

We have been in the Jewelry Business 26 years, and have never yet advertised a fake sale. In this sale we will offer you rare bargains in Diamonds and Fine Watches. Every sale will be backed by my personal guarantee. Mail orders solicited and satisfaction assured.

## PAINTER IS FINED FOR PETTY LARCENY

CLARENCE MURPHY MUST PAY A FINE OF \$10 FOR CARRYING OFF EMPLOYER'S TOOLS—OTHER POLICE NEWS.

Clarence Murphy, a painter, arrested on Monday on the charge of larceny, preferred against him by his employer, F. M. Merrill, had a hearing before Police Judge A. J. Crawford this morning. After hearing the evidence in the case the court thought the defendant guilty of at least petty larceny, and fined him \$10 and costs. Murphy will probably raise the money and be released.

Officer Highbargin arrested a Chinaman early last evening on the charge of being drunk and disorderly. In some unknown manner the Celestial fell and sustained a gash in his scalp which required the services of a doctor to mend. Owing to the severe injury and the fact that he has laid in jail all night without having his wound dressed until this morning at 9 o'clock, the court thought that it would be well to release him without further punishment.

John Cornetto, arrested yesterday morning upon complaint of James Johnson on the charge of assault, and disturbing the peace, was arraigned before Police Judge Crawford at 5 o'clock last evening. Cornetto pleaded guilty, and was assessed a fine of \$25, which he paid, and was discharged.
